5.) We're allways in prison – Eigenwerk (4.2014)

C **G**
1.) You are born, you got this body and you can't change
F **G** **C**
You look around you got this brain you are closed in a grange
G
You work like an ass but you'r captured in a range
F **G** **C** **G7 C**
Nothing is possible – we're always in prison

2.) You got no parents, no care, so you are lost
Y' got no friends, no hold, you' r tossed
Ev'rything 's goin down, no success, (only frost)
Nothing is possible, your 're always in prison

3.) They look TV - the agitator cries it loud: "Go to war!
We are bigger than the other, shut him down, he 's a whore
So you can turn to a hero, more and more!"
If this is possible, his brain is a prison

4.) They come from Africa, for luck, work and shelter
They are not welcome cause Europe is no melter
So they must learn now it 's just another swelter
Nothing is possible – they feel like in prison

5,) Well if the sun is shining ev'ry day
and ev'ry stranger is welcome, you can say
we live together and we don't need any sway
if this is possible – we 're all in heaven
